

# TULDELO

## FILM FESTIVAL

### MISSISSIPPI HIGH SCHOOL FILM COMPETITION AGENDA

**9:00 am**

**Welcome**

**9:05 am**

**First Block of Film Screenings**

**All our Yesterdays - Jaci Kimble** - *Meredith Foster and Camilla Holland are two normal high school sophomores in advanced drama. While trying to navigate high school and drama, Meredith realizes that the two girls' days have been repeating. This film depicts how precious life is, and why the girls' days are repeating.*

**Heartstrings - Cameron Adams** - *A busking guitar player meets a special girl while performing in a park.*

**Hidden Trepidation - Grace Powell** - *A new website intrigues a young, aspiring writer to collaborate with others in creating a story online. By taking turns in writing sentences, they cannot go back on what they submit and can only continue. Out of anger, the young writer submits his friend's name into the storyline under a bad ending, a mistake he realizes has consequences that go beyond his screen.*

**I Don't Know - Trinity Baynham** - *Not knowing what to do with my life.*

**I Tried - Edie Lockett** - *Everything that could go wrong with making a short film, did.*

**L.I.F.E. - Mion Wilkes** - *Life is about finding who you are and expressing yourself. This is a vlog of me learning my individuality and finding my expression.*

**Lost in Translation - Keely Jones** - *After Anna Grace finds a journal, she begins a love affair with an eccentric artist. There is one problem: Anna Grace doesn't know who he is. Will she finally meet her mystery man or will she lose hope in finding him?*

**Nay Tooth Fairy - Niyah Odum** - *A child in search of the tooth fairy.*

**Rome - Quinn Ridler** - *The gang ROME gets a new controversial leader Caesar, who is the target of a group of conspirators. Based on the tragedy of Julius Caesar, this is an action packed and modernized version.*

**Send Me Home with a Smile - Jodie Bartlett** - *This film covers the tragic ending of a friendship and how a young girl copes with the absence of her best friend and the beginning of a life without her.*

**Stonewall - Ben Rickman** - *Takes place in the 1960s involving a murder in Mississippi never solved.*

**Surviving with Cougar Fries – Bart Brooks** - *A new cameraman is hired to film a 'Surviving with Cougar Fries' episode. Connect2 is low on its funding and is having issues controlling himself.*

**The Real Life – Logan Tomlinson** - *Today's technology distracts us from what really matters in life such as nature. Go explore and see the world.*

**The Stranger - Cameron Adams** - *A young man escapes from his town with a target on his back. He finds a house and tries to make friendly with the owner. The young man is stranger with many mysteries in this prequel to 'The Shooting of Dan McGrew.'*

**Try Again – Dalton Stevens**- *A college student is on her way to class when she is killed. She is in a loop of getting killed over again, until finally she makes it out alive with her last life to spare.*

**11:00 am**

**Break**

**11:15 am**

**Second Block of Screenings**

**The Doppelganger - Nicolas Pace** - *A man who misses his recently deceased friend tries to bring him back into a robot body with dark science.*

**Broken Limits - Caleb Haynes** - *A troubled young man encounters a strange figure after an accident. Now, he must try to find a way out without succumbing to whatever the future may hold for him.*

**Brookhaven Music and Sound: A Documentary - Clinton Hart** - *A short documentary about a local music company that is in Brookhaven, MS.*

**Down in Smeazyville - Graham Holliday** - *A short lego film about a dragon and his citizens attacking the rich people of the town.*

**Ghost Detective - Jack King** - *After a routine call goes wrong, ghost exterminator, Officer Basil, must hunt down his now-possessed partner.*

**Luck of the Draw - Daniel Eberhart** - *Three cowboys are playing cards in a saloon when one is caught cheating. The cheater is put in a difficult standoff against the other two card-players.*

**Perspective - Nichole Herbert** - *A girl goes through the seemingly worst day of her life, but could it change if she changed her perspective?*

**Responsibility Switch - Tyrese Frazier** - *Have you ever wondered how life would be if kids acted as adults, and adults acted as children? Well here it is.*

**Schizophrenia - Clinton Hart** - *Chris suffers with schizophrenia and doesn't realize it. He thinks he has a perfect life with a family that loves him but in reality he is in a nursing home/care center.*

**Solitude - Julia Bhansali** - *In 1944 one woman is forced to face the harsh realities of war and experience the true meaning of solitude.*

**The Library - Thomas Hart** - *A silent, slapstick comedy about two students fighting over a library book.*

**The Fate of a Sister - Alison Brown** - *This documentary tells the story of Cara Filler and how she took the worst event in her life and turned it into something that has impacted youth all around the world. Now she's looked at as one of the Top Most Motivational Speakers in the World.*

**Theft amongst the Stables - Zachary Rast** - *Detective helps his boss find something that was stolen from him.*

**Wrong Name Wrong Face - Taylor Rabalais** - *Young teenage girl finds out that talking to strangers online can be deceiving and not all that it's cracked up to be.*

**You - Emma Lee** - *This film is defining what makes you...you.*

**You Must've Done Something Wrong - Jailyn Newell** - *A brief biography of Former Congressman Michael Park who explains his early childhood into his years being a congressman from Mississippi and transferring to the Army Corps of America before his firing in the summer of 2002.*
